## HOMECOMING DANCE GUIDELINES

- *Dances at Marmion Academy or Rosary High School are considered to be school events and thus codes of conduct from the Handbooks of both schools apply to all attending.*
- *Freshmen are permitted to attend Homecoming, but cannot attend other formal dances.*
- *No student will be allowed to attend "stag".*
- *All female guests, with the exception of Rosary/ACC students, are required to fill out a guest form. Guest form available upon purchase of ticket.*
- *Students and dates are expected to arrive at dances within the first hour. Arrivals after one hour will not be admitted unless they have arranged for late arrival ahead of time with the dance moderator or bear a note from parents explaining the delay in arrival.*
- *Students are expected to remain at dances at least until the final half hour.*
- *School policy prohibits all types of lewd and provocative types of dancing deemed by a chaperone to be improper and/or indecent. Those in violation of these dancing standards will be immediately removed from the dance.*

## HOMECOMING DANCE DRESS CODE

- *Homecoming is a semi-formal date dance and dress should be in modest taste*
- *Preference is given to dresses with sleeves and straps, as opposed to strapless ones*
- *If the dress is strapless, the bodice should be straight cut*
- *The back of the dress must have fabric above the waist line and may not be cut lower than 3" below the middle of a student's back*
- *The skirt length is expected to be in accordance with modesty - not current fashion*
- *A straight-cut dress should not be skintight or have high slits*
- *See-through or bare midriff styles are not allowed*
