Covid-19 and Communicable Disease Waiver

Marmion Academy acknowledges and affirms the importance of the health and the safety of the entire school community. Marmion Academy has taken a variety of steps to implement the recommended protocols to mitigate the spread of communicable disease and the Coronavirus established by state norms and in accord with the directives of Public Health Agencies. It is for these reasons, and in the event that my son(s) contracts the Coronavirus disease, that I hereby release, indemnify, and hold harmless Marmion Academy from any loss or medical claims related to this Coronavirus disease.

In an effort to ensure the health and safety of members of this school community, and with the intention to prevent the spread of the Coronavirus disease, parents/guardians and students are required to read and to abide by the expectations of this COVID-19 and Communicable Disease Waiver.

Family and/or Student Travel

According to Public Health Agencies and civil authorities, international travel or traveling to another state that is experiencing Covid-19 outbreaks, as determined by the Governor of Illinois, IDPH, and CDC guidance (“High Risk Areas”) may bring undue risks of contagion to Communicable diseases and the Coronavirus. Therefore, any household with a family member and/or a student traveling internationally or to High Risk Areas that are seeing outbreaks in Covid-19 must inform the Marmion Academy administration before traveling outside of the country or to a designated High Risk Area.

On returning from travel to a High Risk Area, and before returning to school, a household and a student(s) must quarantine for fourteen days or as required by Public Health Agencies and civil authorities.

We, the undersigned, having read and understood this COVID-19 & Communicable Disease Waiver, do agree and consent to follow these expectations as a pledge to protect and to maintain the health and safety of the Marmion Academy school community.
