

MARMION

Annual Report 2016-2017

Marmion Abbey | Marmion Academy | Abbey Farms | Guatemala Mission

2016-2017 Annual Report

Dear Friends of Marmion,

We appreciate the generosity of our alumni, parents (past and present) and dear friends who invest in Marmion's future. The investment is in people: monks, students, faculty and staff. Buildings and programs are just resources to help live the monastic life and educate our youth. From the Abbey Church to the Regole Science Center, Marmion is able to grow and succeed through friends investing in Marmion's mission. This 2016-17 Annual Report recognizes those who participated financially in the mission of the Abbey, Academy, Abbey Farms and Guatemala Priory over this past fiscal year (July 1 - June 30).

This year, with your help, we educated 600 young men (Marmion and Colegio Seminario San José), increased financial aid for students, installed air conditioning and began the reroofing of the Lux Dining Hall, enhanced our educational programing and professional development, purchased new chairs for assemblies and events, planted 9,000 Christmas Trees, funded the building of the new Fr. Columban Reed Pavilion at Abbey Farms, and continued to serve the people of Quetzaltenango, Guatemala. This is just a snapshot of what was achieved as a result of donations to Marmion.

During the 2016-17 fiscal year, Marmion was blessed to receive \$3,335,132 in donations in support of the Abbey, Academy, Abbey Farms and the Guatemala Priory. These generous gifts came from 1,932 individual donors (couples are counted as one) from 46 states and 5 countries outside of the U.S. (see map on page 16).

As indicated by the chart below, a majority of our funding is directed to the Academy. The current tuition only covers 82% of the total cost of educating our students. This leaves a gap of \$1.25 million (about \$2,250 per student) which needs to be filled through gifts to the MARMION FUND each year. Any gifts above and beyond that amount are used as directed by the donor or to the area of greatest need. This often includes the Guardian Angel Financial Aid Fund, program enhancements, building maintenance, etc.

Donations that are directed to the Abbey help defray the cost of health care, education for our younger monks, and building maintenance. Abbey Farms continues to grow with the goal of providing additional revenue for the monks. The farm itself collects donations to continue to build and maintain over 100 acres of farmland and buildings.

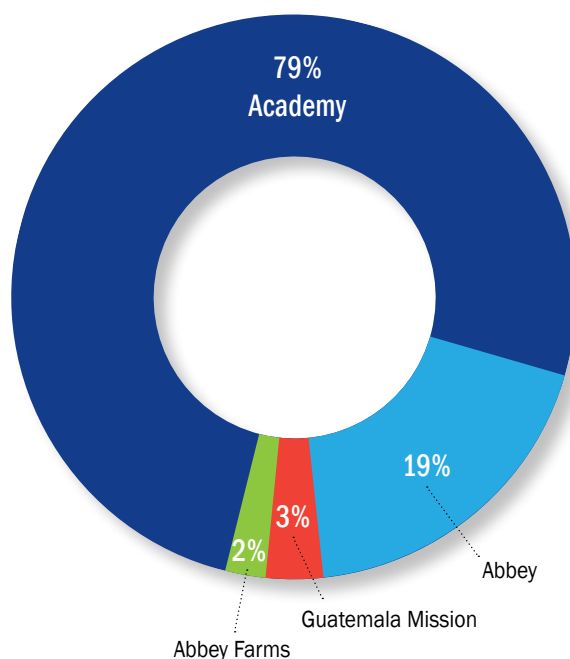

The Guatemala Mission relies on donations from the United States in order to continue to educate the underserved area of Quetzaltenango, Guatemala. The monks at the San Jose Priory provide educational training for young men and extensive pastoral work to the area residents.

Your continued investment in the many ministries of the monks of Marmion Abbey ensures that their good works will continue. If you are interested in making a donation as part of the 2017-18 fiscal year, please visit Marmion.org/donate or contact the Advancement Office at (630) 966-7644. We are so grateful for your support of Marmion.

With Gratitude,

Madelyn T. Weed
Director of Advancement

Donations to Marmion, Inc.

Honor Roll of Donors: Fiscal Year 2016-2017

❖ Denotes **Abbot Marmion Society Life Members**. Life Member status is awarded when gifts to the Academy, Abbey, Abbey Farms and Guatemala Mission total \$10,000 or more over the donor's life time. ✨ Denotes **Canterbury Society Members**. The Canterbury Society gives special recognition to Marmion's trustees, alumni, parents, grandparents and friends who make a planned gift commitment to Marmion.

Dodging Raindrops: The Race to Plant 9,000 Christmas Tree Seedlings

By Adam Voirin '02, Abbey Farms COO/CIO

Christmas Tree seedlings begin their life in large seedling nurseries located in mid to upper Michigan. Once those seedlings are at Abbey Farms, the "race" begins. The vigor of the seedlings lessens each day they sit in cold storage, versus planted. Evergreens are best planted while they are still dormant. Moreover, once dug, the roots are in danger of drying out prior to transplanting. It is always our goal to plant them as soon as possible. However this year the rain came – and it didn't stop.

As the calendar page flipped to May, we hoped that the new tree planter would prove to be our redeemer. Time was of essence. The old planter (pictured, along with the new) likely dates from the 1940s. Sometime during the '50s, the U.S. Forest Service donated it to the monastery. Up to this year, it reliably – most of the time – planted trees at Abbey Farms. 'Using this one-seat machine, we can plant 200 – 300 tree seedlings in one hour,' said Eric Mott '03, Abbey Farms Operations Manager. That is, if the soil conditions are perfect; something that rarely happens.

What a difference new equipment makes! With two people feeding seedlings into the planting shoe, in an "ideal" world, we can now plant about 700 trees per hour. 'Even with less than ideal conditions, we can maintain good speed and plant over twice as fast as previously,' said Eric. Like any plant after planting, we count on good farming/forestry practices and ample help from God for it to thrive. Be sure to check in with our online blog at www.abbeyfarms.org - In our next post about growing your Christmas tree, we'll explain how we trim the trees.

Mothers' Club Funds Snack Bar Renovations and New Student Furniture

At the Mothers' Club Luncheon on May 10, 2017, Mothers' Club President, LeAnn Roe, announced two donations to fund renovations needed to reopen the Snack Bar adjacent to the Lux Dining Hall and for additional furniture for the Kilian Student Commons area outside the Alumni Hall gymnasium. Mothers' Club co-Treasurer, Maureen Taus, presented Mr. Tinerella with two checks totaling \$4,000.

The Snack Bar will reopen this fall to provide a variety of food options for those students staying after school for athletic practices and extra-curricular activities.

The Canterbury Society

Planned Gifts Realized in 2016-2017

The purpose of the *Canterbury Society* is to recognize those who have made a provision in their financial or estate plans to support the goals of Marmion Abbey, Marmion Academy and/or the Guatemala Mission. By their example, *Canterbury Society* members encourage others to make a planned gift to help assure financial support for Marmion, both now and in the future.

+Patricia Berg	\$103,487	Insurance Beneficiary ^*
+Rev. Paul Bueter '51	\$49,372	% Trust Fund *
+John Ensweiler '67	\$33,018	Insurance Beneficiary ^*
+William '43 & +Mary Jo MacDonald	\$302,129	IRA Beneficiary ^
+Richard O'Malley '51	\$5,000	% Bequest ^

Faculty and Staff Donate to Lux Dining Hall Renovations:

The Lux Dining Hall has received a much needed "facelift" with the installation of new curtains, air conditioning and a new roof. This high traffic facility is used by the students for morning study and lunches as well as in the evenings and weekends for meetings and rentals. The funding for these renovations came from donations to the Campus Renewal Campaign. The installation of air conditioning was a special project funded in part by the faculty and staff of Marmion and gifts made to the 2017 BIG GIVE.

With the new curtains in the background, Br. Andre Charron O.S.B. and Mark Malkowski '08 (pictured right) join other faculty and staff in serving dessert to students during this year's Catholic School's Week Celebration sponsored by the Marmion Alumni Association.

Alumni Giving by Class: Fiscal Year 2016-2017

Top Ten Classes

Total Class Giving

Class Yr.	Amount
1943	\$312,544.34
1950	\$215,490.00
1959	\$145,310.93
1956	\$136,062.50
1961	\$101,890.13
1964	\$90,870.00
1951	\$84,297.80
1967	\$51,596.53
1970	\$46,652.40
1982	\$43,413.23

Number of Donors

Class Yr.	# of Donors
1959	36
1965	33
1964	32
1970	30
1967	27
1962	25
1961	23
1957	22
1969	20
'71/'55	19

Class Participation

Class Yr.	Participation %
1959	32.14%
1955	23.17%
1950	21.57%
1957	21.36%
1944	20.83%
1962	20.00%
1951	19.72%
1964	19.51%
1949	19.05%
1970	18.87%
1948	18.87%

Class participation percentages have been calculated using the number of living, known alumni from each class.

Marmion is truly grateful for the generosity of all alumni who have continued to support the Academy, Abbey, Abbey Farms and the Guatemala Mission this past fiscal year.

Tim McLean '79 received the Alumni Centurion Award at the June meeting of the Marmion Board of Trustees. Tim has served on the Board as a trustee since 2006. The Centurion Award is the highest honor of the Marmion Alumni Association. The Award is named after the Roman Centurion in the Gospels, who was a man outstanding in his faith, his love of his family and his servants, and his devotion to duty.

"It is an honor for me to present the Centurion Award to Tim McLean," remarked Anthony Tinerella '84 as he presented the award, "for his outstanding achievements in his business career, for his great volunteer work with the Marmion Alumni Association, trustees, cross country coach and as co-chairperson of our record-breaking 2017 Salute to Youth Dinner."

Tim and Jeanne are Life Members of the Abbot Marmion Society and parents of **Joseph '06, Jeffrey '10 and Daniel '12.**

Marmion's C/PARC Engineering Center is one of the Dream Big Winners for the Amazon Web Service (AWS) "City on a Cloud Innovation Challenge." **Dr. Nick Charipar '02** pioneer of Marmion's first High-Performance Computing Cluster and research scientist at the Naval Research Laboratory, accepted the Dream Big Award on behalf of Marmion on June 20, 2017.

Marmion's C/PARC Engineering Center is a prototype for business and education STEM collaboration. Advance this learning concept to other schools requiring high performance computing, remote learning, and virtual desktop solution assets to advance this to other schools. The AWS City on a Cloud Innovation Challenge recognizes local and regional governments, and private and public schools/districts as hubs of innovation. Winners receive AWS promotional credits to start or continue their projects.
